Transnational Evidence and Multicultural Inquiries in Europe

Developments in EU Legislation and New Challenges for Human Rights-oriented Criminal Investigations in Cross-border Cases

This book deals with the gathering of evidence in cross-border investigations in Europe. The issue of obtaining evidence in and from European countries has been among the most debated issues of EU cross-border cooperation in criminal matters over the last two decades, going through periods of intensive discussions and showing an extraordinary adaptability to the evolution of EU legislation for criminal matters.

Features

► Updated analysis of the developments in Europe ► Multilevel diagnosis (research models, analysis of legislation and case law) ► Balanced combination of theoretical reconstruction and proposals for future legislation

Contents

Current Perspectives in EU Legislation.- The European Investigation Order: A Step Forward Towards a European Cross-border Investigative Procedure?.- Critical Analysis of the EIO Initiative: General Issues.- Critical Analysis of the EIO Initiative: Specific Issues.- Cross-border Criminal Inquiries in Europe: Solution Models and Human Rights Challenges.

European Sports Law

Collected Papers

European Sports Law: Collected Papers 2nd edition contains the collected works (1989-2012) of Stephen Weatherill, Jacques Delors Professor of European Community Law, Somerville College, University of Oxford, United Kingdom, with an extensive introduction on the background and rationale for the selected papers. Stephen Weatherill is a leading academic and author on the subject of European Union law and professional sport. His work is of the highest academic standard and practice-oriented at the same time, which has a strong impact on major court cases and the development of international sports law in general. The updated 2nd edition is a vademecum for those involved with international sport and the challenges European law and sport provide and is an indispensable tool for administrators, managers, researchers, academics, marketers, broadcasters, advisers and practitioners. The book appears in the ASSER International Sports Law Series (ISSN: 1874-6926), under the editorship of Dr. David McArdle, Dr. Ben Van Rompuy and Marco van der Harst LL.M.

Features

► Chronological order makes papers easily accessible to reader ► Analyses the interface between European Union law and sport, with an emphasis on competition law issues ► Work of highest academic standard and practice-oriented at the same time
