SUBMISSION INSTRUCTIONS
The conference will solicit papers in all areas of macroeconomic theory and policy and international finance. All papers will be submitted electronically through URL: http://www.soc.uoc.gr/macro/. For this purpose a specific script-form will be released in due time. The deadline for submission is December 31, 2015.

Jointly authored papers should be submitted by the person who will present the paper, if it is accepted. Please note that each participant may present at most one paper. Upon acceptance of a paper the registration fee is € 325. The registration fee for Ph.D. students is € 200 (a letter of proof of Ph.D. student status is required from the head of the department). Registration fees are not refundable. In case there is more than one author per paper, only one registration fee is required. Additional registration is applied when all the authors participate in the Conference.

Special Issue (Guest Editors: Georgios P. Kouretas and Athanasios P. Papadopoulos)
The Journal of International Money and Finance will publish a special issue with papers presented at the conference. The selected papers will be presented during the conference in special "JIMF Sessions". All submitted papers will be considered for this special issue. The general topic of the special issue is "Global Economy: Future Financial and Macro Challenges". Papers of high quality will be considered.

Special Issue (Guest Editors: Georgios P. Kouretas and Athanasios P. Papadopoulos)
The Economic Change and Restructuring will publish a special volume with papers presented at the conference especially the best papers by junior researchers and recent Ph.D. holders. Papers of high quality will be considered for this special issue.
