## **CALL FOR SUBMISSIONS**

### **Computational Management Science Conference, Bergamo (May 30-June 1 2017)**

Participants of the Computational Management Science Conference at Bergamo are cordially invited to submit papers closely related to their presentation at the Conference to a special issue of Computational Management Science.

The deadline for submissions is 30 September 2017. All submissions will be subject to the usual peer review procedure.

Submissions will be through the Computational Management Science website.

The guest editors:

Rosella Giacometti & Berc Rustem
