Responding to Immigrants’ Settlement Needs: The Canadian Experience

While much has been written about Canada’s modern settlement program and there is a growing body of research and analysis of the settlement and integration successes and challenges of recent years, there is virtually no literature that has addressed the history of settlement services since the beginning of immigration to Canada.

Features
► First comprehensive history of immigration settlement in Canada ► Identifies lessons learned from the Canadian experience applicable to Canada and other immigrant receiving countries

Original research using primary archival sources ► Original research using primary archival sources
