Manuscript Submission Checklist

□ Manuscript has not been published before or is not under consideration for publication anywhere else and has been approved by all co-authors.

□ The title of the manuscript in the title page and manuscript text should be the same with the title provided in the Enter title step.

□ Manuscript is submitted in .doc or .docx format with a normal, plain font (e.g., 10-point Times Roman) and double spacing every line including the references.

□ All measurements are given in SI units.

□ Acknowledgments of people, etc. should be placed in a separate section on the title page.

□ A conflict of interest statement for individual authors should be provided in a separate section on the title page. Research grant and funds should be also provided in the section of conflict of interest.

□ An ethical approval statement should be described in a separate section on the title page.

□ An informed consent statement should be provided in a separate section on the title page.

□ The references are in consecutive numeric order and in the correct style.

□ All the tables and figures are in consecutive numeric order.

□ All figures are submitted as separate image files with an acceptable format (EPS, TIFF, or MS Office files) and resolution (Line art, 1200 dpi; Halftone art, 300 dpi; Combination art, 600 dpi).
