How to find MyCopy on SpringerLink:

- The MyCopy service is only visible when the researcher is identified as a member of an institution that has purchased one or more eBook collections, and the title is part of the purchased collection(s).
- On SpringerLink the service is displayed as follows:

The image shows a screenshot of the SpringerLink interface. On the left, there is a book cover for "Machine Learning in Healthcare Informatics" by Sumeet Dua, U. Rajendra Acharya, and Presna Dua Sathya. Below the cover is a "Look Inside" button. To the right of the cover, a text box explains that hovering over the text displays a box. Below the cover, a rounded box displays the "MyCopy Softcover Edition" price of "24.99 EUR/USD/GBP/CHF" and a "Buy Now" button. An arrow points from this box to a larger text box on the right, which contains the following text: "MyCopy is a high quality digitally printed softcover book, available to individuals for just 24.99 EUR/USD/GBP/CHF (depending on your location) including shipping. MyCopy books have a color soft cover, with black and white text and are offered here exclusively at this attractive price because your library has purchased the Springer eBook collection". Below this text box, the text "Other actions" is partially visible.

If you move your mouse over the text the following box is displayed.
